It is of the auBerst importance that the fools in die Kanadien offentlichkeit know nothing of our true designs for this wicked country that bombed our beloved Fatherland to ashes 75 years ago. (Seems like yesterday.) Our propaganda machine is now running at full throttle (Goebbels would be proud!) and the clock ticks down to the autumn election

Then we will once again take our rightful places as masters of these Kanadien swine and punish them just as we did under our glorious leader Herr Harper.

Kanadiens are fools and have already forgotten the exquisite pain we inflicted upon them in the glorious Harper years

Now it is my turn! Get to work! Heil Scheer!

Dear Scotty,

It is that time of year again, when we Conservatives make our semi-annual pilgrimage to Canada's oil capital, Calgary to have our faces splunked by the balls of oil company executives and owners.

For this autumn's ballsfest, you were the lucky son-of-a-gun to draw ticket #0001, while I unfortunately drew stub # 1039.

Due to the imminent federal election and all, I was wondering if you could see your way clear to swap tickets with your old pal Andy, so that I can finish with this most important ritual right away and then be free to continue my campaign in the federal election.

We both know that my chances of victory are slim, at best. Even our own polling shows that Trudeau is headed for an even bigger victory this time around. But for the good of our party I must be seen to be working hard on the campaign trail, and not living it up in Calgary, gargling oil company executive balls.

Please contact me as soon as you can with your answer.

Sincerely

The Hon. Andrew Scheer, P.C., M.P.

As a Trump balls-gargler, I say the President can't be indicted for having Epstein murdered because you can't indict a sitting President.

I'll gargle President Trump's balls again if he lets me be in his Cabinet.
